1.2	CONFERENCE	3
2	Thursday (September 19, 2024)	4
2.1	09:00–11:00 PLENARY SESSION 1 <i>Collegium Iuridicum II, Aula 2</i>	4
2.2	11:00–11:30 COFFEE BREAK Lobby of the Collegium Iuridicum II, Lipowa Street....	4
2.3	11:30–13:30 PLENARY SESSION 2 <i>Collegium Iuridicum II, Aula 2</i>	4
2.4	13:30-14:30 LUNCH Lobby bar, Collegium Iuridicum II	5
2.5	14:30-16:00 PANELS	5
2.5.1	Session 1: Collegium Iuridicum II, room 1.2	5
2.5.2	Session 2: Collegium Iuridicum II, room 1.3	5
2.5.3	Session 3: Collegium Iuridicum II, room 1.4	5
2.5.4	Session 4: Collegium Iuridicum II, room 2.3	6
2.5.5	Session 5: Collegium Iuridicum II, room 2.4	6
2.5.6	Session 6: Collegium Iuridicum II, room 2.6	6
2.5.7	Session 7: Collegium Iuridicum II, room 2.8	7
2.5.8	Session 8: Collegium Iuridicum II, room 3.3	7
2.5.9	Session 9: Collegium Iuridicum II, room 3.4	7
2.5.10	Session 10: Collegium Iuridicum II, room 3.8	7
2.5.11	Session 11: Collegium Iuridicum II, room 3.6	8
2.6	16:00-16:15 COFFEE BREAK Lobby of the Collegium Iuridicum II, Lipowa Street	8
2.7	16:15-17:45 PANELS.....	8
2.7.1	Session 12: Collegium Iuridicum II, room 1.2	8
2.7.2	Session 13: Collegium Iuridicum II, room 1.3	9
2.7.3	Session 14: Collegium Iuridicum II, room 1.4	9
2.7.4	Session 15: Collegium Iuridicum II, room 2.	9
2.7.5	Session 16: Collegium Iuridicum II, room 2.4	9
2.7.6	Session 17: Collegium Iuridicum II, room 2.8	10

2.7.7	Session 18: Collegium Iuridicum II, room 3.3	10
2.7.8	Session 19: Collegium Iuridicum II, room 3.4	10
2.7.9	Session 20: Collegium Iuridicum II, room 3.8	11
2.7.10	Session 21: Collegium Iuridicum II, room 3.6	11
2.7.11	Workshop Collegium Iuridicum II, room 2.6	11
2.8	17:45-18:00 COFFEE BREAK Lobby of the Collegium Iuridicum II, Lipowa Street ...	11
2.9	18:00-19:00 GENERAL ASSEMBLY OF THE EAHL <i>Collegium Iuridicum II, Aula 2</i> ...	12
2.10	20:00 GALA DINNER Hotel Bellotto, Senatorska Street 13/15.....	12
3	Friday (September 20, 2024)	13
3.1	9:00-10:45 PLENARY SESSION 3 Collegium Iuridicum II, Aula 2	13
3.2	10:45-11:00 COFFEE BREAK Lobby of the Collegium Iuridicum II, Lipowa Street ...	13
3.3	11:00-12:00 POSTERS Collegium Iuridicum II, Aula 2.....	13
3.4	12:00-12:15 COFFEE BREAK Lobby of the Collegium Iuridicum II, Lipowa Street ...	14
3.5	12:15-13:45 WORKSHOPS Collegium Iuridicum II, Aula 2.....	14
3.5.1	Workshop 1 The patient's right to information and generative AI: Collegium Iuridicum II, room 1.2	14
3.5.2	Workshop 2 Ethical and legal perspectives for the new European Health Data Space: Collegium Iuridicum II, room 1.3.....	14
3.5.3	Workshop 3 The Principles and Guidelines on Human Rights and Public Health Emergencies: implementing human rights in a shifting global health landscape: Collegium Iuridicum II, room 1.4	14

3.5.5	Workshop 5 Controversial health issues in the European Court of Human Rights: recent developments: Collegium Iuridicum II, room 2.8	15
3.5.6	Workshop 6 Legal and ethical issues of using digital health and biomedical innovations: Broadening perspectives and mapping the borders: Collegium Iuridicum II, room 3.2	15
3.6	14:00 AWARDS AND CLOSING CEREMONY <i>Collegium Iuridicum II, Aula 2</i>	15
4	Young Scholars Workshop	16
4.1	PANEL 1 Human Rights Approaches to Health	16
4.2	PANEL 2 Data rights and healthcare.....	16
4.3	PANEL 3 Medical practice and healthcare	17
4.4	PANEL 4 Regulating medical products	17
4.5	PANEL 5 Emerging technologies regulation and healthcare	17
4.6	PANEL 6 Challenges in Artificial Intelligence Regulation and Healthcare	18

1 Wednesday (September 18, 2024)

1.1 PRE-CONFERENCE

8:45-12:15 Registration and Hospitality Desk

Collegium Iuridicum II, Aula 2

9:00-12:00 Young Scholar Workshop (see Annex)

10:30-12:00 Meeting of the EAHL IG on Supranational Biolaw

Collegium Iuridicum II, room 1.2

12:30-14:30 Guided Tour

Starting point: Old Library, Main Campus of the University of Warsaw

1.2 CONFERENCE

15:00-18:30 Registration and Hospitality Desk

Lobby of the Old Library, Main Campus of the University of Warsaw

15:30-17:00 Opening Ceremony and Opening Lecture

Old Library, Main Campus of the University of Warsaw

Opening speeches:

Rector of the University of Warsaw

Dean of the Faculty of Law and Administration of the University of Warsaw

President of the EAHL

President of the Conference

Opening Lecture – Commissioner of Human Rights of the Republic of Poland

17:00–18:30 Welcome Reception

2 Thursday (September 19, 2024)

8:30-18:00 Hospitality Desk

Lobby of the Collegium Iuridicum II, Lipowa Street

2.1 09:00–11:00 PLENARY SESSION 1

Collegium Iuridicum II, Aula 2

9:00-9:30 Keynote lecture: Professor Leszek Bosek, Fundamental rights in the case-law of the Court of Justice of the European Union on the Biotech Directive

Moderator: Michał Królikowski

09:30–09:45 Dean M. Harris, Comparing fundamental rights to health care in the United States and Europe

09:45–10:00 Steven Lierman, Reliable science in the courtroom: a joint responsibility of policymaker, scientist and judge

10:00–10:15 Estelle Brosset, The scope of Article 35 of the Charter of Fundamental Rights of the European Union: what does the Court say?

10:15–10:30 Janusz Roszkiewicz, When can a patient be deprived of life without his consent? Considerations in the light of the case-law of the European Court of Human Rights

10:30-11:00 Discussion

2.2 11:00–11:30 COFFEE BREAK

Lobby of the Collegium Iuridicum II, Lipowa Street

2.3 11:30–13:30 PLENARY SESSION 2

Collegium Iuridicum II, Aula 2

11:30–12:00 Keynote lecture: Professor Tamara K. Hervey, Reshoring of healthcare system capacities: a European human rights issue?

Moderator: Dobrochna Bach-Golecka

12:00–12:15 Tomasz Sroka, Contemporary trends in the protection of fundamental rights in health law: diagnosis and evaluation

12:15–12:30 Kavot Zillén, Children's Health-related Rights in the Post-Pandemic era

12:30–12:45 Claudia Seitz, Regulation of Artificial Intelligence in Medical Applications: Acceptable Risks in the Light of Absolute and Relative Safety

12:45–13:00 Michał Królikowski, Calling out for death: Subjectivity in patterns of dying

13:00-13:30 Discussion

2.4 13:30-14:30 LUNCH

Lobby bar, Collegium Iuridicum II

2.5 14:30-16:00 PANELS

2.5.1 Session 1: Collegium Iuridicum II, room 1.2

Moderator: Steven Lierman

14:30-14:45 Audrey Lebret, The contribution of the Council of Europe to the regulation of biomedical AI

14:45-15:00 Petra Holmberg, Safeguarding Fundamental Rights in Mental Health Applications in the Framework of the EU AI Act

15:00-15:15 Dominika Ewa Harasimiuk & Tomasz Braun, Synthetic Data in Healthcare Sector. The EU Regulatory Framework's Vacuum?

15:15-15:30 Marika Mäkinen, Protecting patient integrity: challenges and benefits with informed consent in AI-assisted diagnoses

15:30-15:45 Magdalena Kogut-Czarkowska, Sharing health data under the GDPR and EHDS – can federated networks protect patients' rights and freedoms?

15:45-16:00 Discussion

2.5.2 Session 2: Collegium Iuridicum II, room 1.3

Moderator: Grzegorz Glanowski

14:30-14:45 Joaquin Cayón-De Las Cuevas, Drawing ethical and legal boundaries to the application of neurotechnologies: in need for a new 'technocratic oath'

14:45-15:00 Rafał Wonicki, Is global health ethics possible?

15:00-15:15 Markus Frischhut, Patient mobility between individual and collective rights: transformation based on solidarity

15:15-15:30 Santa Slokenberga, A missing piece in cross-border healthcare? On the recognition of medical decisions

15:30-15:45 Éloïse Gennet, A One Health approach to human rights? Exploring the law of the Council of Europe

15:45-16:00 Discussion

2.5.3 Session 3: Collegium Iuridicum II, room 1.4

Moderator: Leszek Bosek

14:30-14:45 Margot Panneel, Balancing Innovation and Protection: A Comparative and Human Rights Analysis of Medical Experimentation and Clinical Trials

14:45-15:00 Igor Milinkovic, Legal Framework of Medical Treatment and Research on Persons with Mental Disorders in Bosnia and Herzegovina

15:00-15:15 Aleksandra Trębska, Weighing risks and encouraging participation – A New Model of Protection for Clinical Trial Participants in Poland

15:15-15:30 Emilia Kaczmarek & Joanna Różyńska, Research payment, exploitation, and the rights of the participant of biomedical research

15:30-15:45 Discussion

2.5.4 Session 4: Collegium Iuridicum II, room 2.3

Moderator: Katarzyna Syroka-Marczewska

14:30-14:45 Agnieszka Nogal, Philosophical justification of the category of Human Dignity

14:45-15:00 Beata Janiszewska, Respect for the dignity of patients affected by mental disorders

15:00-15:15 Sanja Stojković Zlatanović & Marta Sjeničić, Challenges of digital transition – Addressing worker’s mental health and well-being

15:15-15:30 Solvita Olsena, The Paradigm Shift Away from Coercion in Mental Health Care: The Role of National and International Courts

15:30-15:45 Athanasios Panagiotou, The rights of persons with mental disorders in Greece: legislative framework, issues, and proposals

15:45-16:00 Merja Turunen, Adult patient’s right to self-determination and use of restrictive measures in somatic care in Finland, legal and empirical legal research – preliminary results

16:00-16:15 Discussion

2.5.5 Session 5: Collegium Iuridicum II, room 2.4

Moderator: Dobrochna Bach-Golecka

14:30-14:45 Katarzyna Miaskowska-Daszkiwicz, Availability of medicines in non-pharmacy markets – opportunities and risks for public health

14:45-15:00 André den Exter, Improving access to orphan medicines

15:00-15:15 Marie Glinel & Aurélie Mahalatchimy, Strengthening the quality and safety of Substance of Human Origin: what impact on fundamental rights?

15:15-15:30 Beata Kozielowicz-Kutrzepa, Biotechnological products in medicine. Legal perspective

15:30-15:45 Rebecca Jeyaraj & Gerard Porter, To what extent does the “right to health” help support equitable access to cell and gene therapy products around the world?

15:45-16:00 Stefania Marassi & Mária Éva Földes, Deployment of in-body wearable devices in healthcare and employment: exploring the potential transformations in the European Union regulatory framework

16:00-16:15 Discussion

2.5.6 Session 6: Collegium Iuridicum II, room 2.6

Moderator: Janusz Roszkiewicz

14:30-14:45 Morgaine Jelitko, The Right to a Healthy Child? – Preimplantation Genetic Diagnostics and Prenatal Diagnostics in the Light of International Law and European Human Rights Protection

14:45-15:00 Inesa Fausch, Is a Lab-grown Embryo a 'Human'? Calls for Re-evaluation of Regulation of Embryo and Its Surrogates

15:00-15:15 Alanna Kells, A human rights-based consideration of the potential legal and ethical impacts of ectogenesis under the European Convention on Human Rights (ECHR)

15:15-15:30 Jan Bałdyga, Synthetic embryos and human dignity: exploring the applicability of the Oviedo Convention of 1997 in light of recent embryological experiments

15:30-15:45 Yuxin Li, What Criteria Should Be Imposed On People Who Wish To Access Assisted Reproductive Technologies? A Comparative Analysis

15:45-16:00 Discussion

2.5.7 Session 7: Collegium Iuridicum II, room 2.8

Moderator: Michał Królikowski

14:30-14:45 Tomáš Doležal & Adam Doležal, End-of-Life Decision-Making in the Czech Republic: Toward a Greater Acknowledgment of Individual Autonomy?

14:45-15:00 Katarzyna Mełgieś, Does the system of organizing palliative care in Poland ensure patients' protection of their right to health at an appropriate level?

15:00-15:15 Juliane Nowka, Misuse of the Lasting Power of Attorney for Healthcare Matters

15:15-15:30 Magdalena Flatscher-Thöni & Christiane Posch, Echoes of Consent: Healthcare Professionals Navigating Post-Mortem Organ Donation Conversations

15:30-15:45 Teresa Andreani, How to Forge the Right to Long-Term Care for the Dependent Elders? A Critique of the European Care Strategy

15:45-16:00 Discussion

2.5.8 Session 8: Collegium Iuridicum II, room 3.3

Moderator: Tomasz Sroka

14:30-14:45 Radmyla Hrevtsova, Strengthening health provision in times of emergencies through law and governance: the Ukrainian experience

14:45-15:00 Robert Tabaszewski, Revisiting the Limits of Patient and Human Rights: Extraordinary Precautionary Measures in Post-COVID Healthcare

15:00-15:15 Anna-Kaisa Tuovinen, Health Law and Fundamental Rights in Tackling Syndemics

15:15-15:30 Juan-Ignacio Ochagavía Colás, Analysis of latest international initiatives to confront health emergencies: the Draft International Treaty on Pandemics and the European Health Emergency Preparedness and Response Authority

15:30-15:45 Andrea Parziale, Mass-scale Government-to-Business Data Sharing in an Emergency: The Role of the GDPR

15:45-16:00 Discussion

2.5.9 Session 9: Collegium Iuridicum II, room 3.4

Moderator: Dorota Krekora-Zajac

14:30-14:45 Rui M. Prista Cascão, Technological Change and Liability in Healthcare: are Clinical Guidelines the Key?

14:45-15:00 Witold Borysiak, The Interferences Between Medical Standards and Provisions of Law

15:00-15:15 Victor Schollaert, The patient's right to consent information and the concept of "unpreparedness damage"

15:15-15:30 Paulina Wolszczak, The right to compensation for „informational negligence” in case of fetal defects

15:30-15:45 Sven Lievens, Loss of a Chance in Medical Law

15:45-15:55 Discussion

2.5.10 Session 10: Collegium Iuridicum II, room 3.8

Moderator: Jan Lipski

14:30-14:45 Małgorzata Albe, Medical treatment of premature infants with dismal prognosis in Germany

14:45-15:00 Julia Kapelańska-Pręgowska, Access to abortion at the margins of State's margin of appreciation

15:00-15:15 Mariya Sharkova, Patient Safety and the "unborn patient"

15:15-15:30 Jakub Valc, Anonymous gamete donation as a human rights conflict

15:30-15:45 Andrea Martani, Protecting fundamental' rights in the context of (inter)national reproductive medicine: unresolved questions for the regulation of egg donation in Switzerland

15:45-16:00 Discussion

2.5.11 Session 11: Collegium Iuridicum II, room 3.6

Moderator: Jacek Piecha

14:30-14:45 Paulien Walraet, Ensuring proportionality in measures imposed on healthcare professionals: the Belgian interpretation as a source of inspiration

14:45-15:00 Malwina Anna Wójcik-Suffia, The right to explanation of algorithmic decision-making in healthcare – new legal basis?

15:00-15:15 Omayma Yahyaoui-Boudiabe Procedural and substantive implications of the new regulatory proposals on liability for damages caused by defective AI systems for healthcare

15:15-15:30 Zuzanna Zapotoczna, The European Union's influence on the organisation of healthcare services in the EU Member States

15:30-15:45 Maria Aluas & Ondine Lucaciu, Informed Consent, post-treatment risks and malpractice challenges related to dental tourism

15:45-16:00 Discussion

2.6 **16:00-16:15 COFFEE BREAK**

Lobby of the Collegium Iuridicum II, Lipowa Street

2.7 16:15-17:45 PANELS

2.7.1 Session 12: Collegium Iuridicum II, room 1.2

Moderator: Katarzyna Syroka-Marczewska

16:15–16:30 Karl Harald Søvig and Signe Veierud Busch, Abortion – Recent Trends in the Nordic Countries

16:30–16:45 Agathe Bascou, Frederic Savall, Norbert Telmon and Anne-Marie Duguet, Legal Developments and Government Policies in France regarding Violence against Women

16:45–17:00 Anne-Marie Duguet, Frederic Savall and Emmanuelle Rial Sebbag, The Freedom to Elective Abortion Enshrined in the French Constitution: Women's Rights Strengthened in an International Context of Regression

17:00–17:15 Maria Boratyńska, Obedience – Force – Violence. On the Direct Coercion of Medical Acts on Children and Adolescents

17:15–17:30 Agnieszka Wojcieszak-John, Autonomy of the Minor Patient during the Medical Procedure of Gender "Reconciliation"

17:30–17:45 Discussion

2.7.2 Session 13: Collegium Iuridicum II, room 1.3

Moderator: Tomasz Sroka

16:15-16:30 Sandra Hotz, On opting-in and opting-out solutions in health law. Or how can we think about implementing a right to a birth plan without consent?

16:30-16:45 Katarzyna Sałbut, The patient's right to information about the foreseeable consequences of using proposed and possible diagnostic and therapeutic methods

16:45-17:00 Alec Cali & Anniek de Ruijter & Katrina Pehudoff, The Role of Federalism in Pandemic Response: A Framework for Analyzing the Pandemic Response Between Nations

17:00-17:15 Naoual El Yattouti, Religious Dress in the Healthcare Setting: Unpacking Legal Arguments and Balancing Individual Rights

17:15-17:30 Patricia Cervera de la Cruz, Fair enough? Exploring the role of fairness in secondary uses of health data in the European Health Data Space

17:30-17:45 Discussion

2.7.3 Session 14: Collegium Iuridicum II, room 1.4

Moderator: Agnieszka Nogal

16:15-16:30 Monika Kwiatkowska, Administrative standards for healthcare quality and patient safety in Poland

16:30-16:45 Cato Deprez, EU's competences and role in regulating quality in the hospital sector

16:45-17:00 Félix Delerm, Implementation of digital twins in healthcare: future-proofing the current legal framework

17:00-17:15 Miquel Díaz Hernández, Off-label use and sustainability of the healthcare system: playing with fire?

17:15-17:30 Jacek Piecha, Rethinking the right to health in transhumanism era

17:30-17:45 Discussion

2.7.4 Session 15: Collegium Iuridicum II, room 2.

Moderator: Leszek Bosek

16:15-16:30 Edison Ramiro Calahorrano Latorre, Telemedicine

16:30-16:45 Jan Lipski, The Role of Guidelines on Best Medical Practices in Determining the Standard of Due Care of Healthcare Professionals in Light of the Binding and Non-Binding Standards of the Council of Europe

16:45-17:00 Grzegorz Glanowski, Demarcation of health services from cosmetic services

17:00-17:15 Rafaels Ciekurs, Integrating telemedicine into healthcare access for patient with hearing impairment

17:15-17:30 Caroline Voithofer, PID and PGD between Bio- und Necropolitics. The Case of Austria

17:30-17:45 Discussion

2.7.5 Session 16: Collegium Iuridicum II, room 2.4

Moderator: Joaquin Cayon-De Las Cuevas

16:15-16:30 Mette Hartlev, Patients' rights and use of AI in the clinic – a contestability approach

16:30-16:45 Ernst Hulst, Artificial intelligence, a challenge for patients' rights?

16:45-17:00 Sarah de Heer, AI medical devices in precision medicine in Sweden – guaranteeing

quality of care through the right to health and the right to good administration

17:00-17:15 Jarosław Greser, Cybersecurity and privacy challenges of digital mental health applications

17:15-17:30 Hrefna Dögg Gunnarsdóttir, Secondary findings in light of EHDS presumed consent

17:30-17:45 Discussion

2.7.6 Session 17: Collegium Iuridicum II, room 2.8

Moderator: Witold Borysiak

16:15-16:30 Mónica Hernández Herrero, Recent trends in litigation for lack of informed consent: the Spanish reality

16:30-16:45 Stefania Pia Perrino, Self-determination and Accountability in Italy: balancing Informed Consent in Medical Treatment and Liability

16:45-17:00 Karina Lanzellotti Saleme, Reframing Medical Malpractice: Insurance as a Catalyst for Enhancing Healthcare Quality

17:00-17:15 Eduardo Dantas, Navigating the Nuances of Informational Negligence: A Close Look at Physician-Patient Communication within Brazil's Legal Framework

17:15-17:30 Jodie White, The Right to Health's Failure to Guarantee Medical Treatment

17:30-17:45 Discussion

2.7.7 Session 18: Collegium Iuridicum II, room 3.3

Moderator: Michał Królikowski

16:15-16:30 John Lombard, Do Not Attempt Cardiopulmonary Resuscitation Practice and Policy: Towards the Development of a new National Policy for Ireland

16:30-16:45 Laura Šāberte & Karina Palkova, Patient's religiously based will in the context of non-initiation of futile medical treatment – problems of the legal framework and its development in Latvia

16:45-17:00 Chay Burt, A Right to an Assisted Death: A Comparative Landscape

17:00-17:15 Jerzy Bednarski & Iwona Luszczewska-Sierakowska & Jeng-You Wu, Acting Against the Will of the Patient and respecting their fundamental rights in the State of inebriety at the Hospital Emergency Department

17:15-17:30 Pia Dittke, Suicide assistance for individuals with mental illness in Germany. A criminal trap and a constitutional gap?

17:30-17:45 Discussion

2.7.8 Session 19: Collegium Iuridicum II, room 3.4

Moderator: Janusz Roszkiewicz

16:15-16:30 Marissa Lithopoulos & Aurélie Mahalatchimy & Amy Zarzeczny, The rise of the secretome: A comparative analysis of the governance of secretome-based interventions between Canada and the European Union

16:30-16:45 Kristof Van Assche, How to guarantee equitable access to scarce medicinal products and medical equipment: a discussion of Recommendation CM/Rec(2023)1 of the Council of Europe

16:45-17:00 Kaat Van Delm, Is the EU medicinal product lifecycle adapted to the use of Real World Data? A look at the present and a (reasoned) guess as to the future

17:00-17:15 Marta Łotoczuk, Cultural dimensions of the right to health: the scope of the right to culturally appropriate healthcare

17:15-17:30 Ruoxin Su, Femtech Concerns: A Fundamental Rights Perspective through the ECHR

17:30-17:45 Discussion

2.7.9 Session 20: Collegium Iuridicum II, room 3.8

Moderator: Dobrochna Bach-Golecka

16:15-16:30 Wenkai Li, Autonomy in the secondary use of health data for research: ethical and legal reflections

16:30-16:45 Vera Lúcia Raposo, Black is the new white: black box versus white box medicine in healthcare

16:45-17:00 Sara Roda, Confidentiality and professional secrecy in the European Health Data Space: is it dead?

17:00-17:15 Cong Yao & Danaja Fabric Povse, Preventing Bias in Evidence-Based Health Policies in the Era of the Digital Divide: Constructing a Diversity Requirement in the EU Legal System

17:15-17:30 Iris Bakx & Emma van Gelder, Regulation of health apps and wearables

17:30-17:45 Discussion

2.7.10 Session 21: Collegium Iuridicum II, room 3.6

Moderator: Dorota Krekora-Zajac

16:15-16:30 Teodora Lalova-Spinks, Caring Patient Empowerment? The caring technology principles against the strengthened individual data control promised with the European Health Data Space

16:30-16:45 Menno Mostert, Professional secrecy and legitimising secondary use under the EHDS

16:45-17:00 Magdalena Flatscher-Thöni & Christiane Kreyer, Caring through Crisis: Ethical and Legal Challenges in Long-Term Care Facilities during a Pandemic

17:00-17:15 Yana Litins'ka, Vaccination against Covid-19 among Ukrainian refugees in Sweden: Human rights perspective on crises preparedness

17:15-17:30 Discussion

2.7.11 Workshop

Collegium Iuridicum II, room 2.6

16:15-17:45 Stefania Negri & Annagrazia Altavilla & Emanuele Cesta & Sandro Bonfigli & Éloïse Gennet, Fundamental Rights as a Pillar of the EU Global Health Strategy

2.8 17:45-18:00 COFFEE BREAK

Lobby of the Collegium Iuridicum II, Lipowa Street

2.9 18:00-19:00 GENERAL ASSEMBLY OF THE EAHL
Collegium Iuridicum II, Aula 2

2.10 **20:00 GALA DINNER**

Hotel Bellotto, Senatorska Street 13/15

3 Friday (September 20, 2024)

8:30-14:00 HOSPITALITY DESK

Collegium Iuridicum II, Lipowa Street

3.1 9:00-10:45 PLENARY SESSION 3

Collegium Iuridicum II, Aula 2

9:00–9:30 Keynote lecture: Professor Laurence Lwoff, Autonomy and protection of children in biomedicine: striking the “rights” balance”

Moderator: Agnieszka Nogal

9:30-9:45 Dobrochna Bach-Golecka, Mothers and health law

9:45-10:00 Jean McHale, Older persons’ fundamental rights to access health care: do we need a new international approach?

10:00-10:15 Tomislav Sokol, EU Pharmaceutical package: is it appropriate for ensuring equal access to medicines across the EU?

10:15-10:30 Andrea Mulligan & Joan Lalor & Linda Hogan, Conscientious Objection in Termination of Pregnancy in Ireland: Balancing Rights and Ensuring Service Provision

10:30-10:45 Discussion

3.2 10:45-11:00 COFFEE BREAK

Lobby of the Collegium Iuridicum II, Lipowa Street

3.3 11:00-12:00 POSTERS

Collegium Iuridicum II, Aula 2

- Søren Birkeland, The legal support for material rights in mental healthcare
- Roxane Delpech, Towards opening up active aid in dying in France: rethinking medical ethics in the name of patient dignity?
- Noémie Dubruel & Emmanuelle Rial-Sebbag, Virtual Human Twins For Care: in need of a fundamental rights’ assessment,
- Lisa Feriol & Emmanuelle Rial-Sebbag, Health research in the era of the European Health Data Space: challenges for autonomy and privacy
- Tom Goffin & Violette Vanscheeuwijck & Paulien Walraet, The application of the Belgian Patients’ Rights Act to vulnerable patient groups

- Pauline Rateau & Gauthier Chassang & Emmanuelle Rial-Sebbag, Integrating patients' fundamental rights in the use of artificial intelligence enabled medical devices (AI-MD) in clinical research: the example of the HT-Advance European project
- Valentin Roby & Luc-Sylvain Gilbert & Valentin Brunel & Auxane Delage & Aurélie Mahalatchimy, Expediting marketing authorisation pathways for patients' access to advanced therapies
- Florence Taboulet & Lucie Barret & Emmanuelle Rial-Sebbag, Right to health protection, right to socialized care and non-therapeutic medicine
- Marjolein Timmers Ethical and Legal lessons learned from Research and Development of a New Technology for Genome-wide DNA Methylation Profiling
- Iwona Wrześniewska-Wal, A health care system that responds effectively to changes and is resistant to crises based on the example of developing competences and changing the roles of medical professions

3.4 **12:00-12:15 COFFEE BREAK**

Lobby of the Collegium Iuridicum II, Lipowa Street

3.5 **12:15-13:45 WORKSHOPS**

Collegium Iuridicum II, Aula 2

3.5.1 Workshop 1 The patient's right to information and generative AI: Collegium Iuridicum II, room 1.2

Tom Goffin & Griet Verhenneman & Teodora Lalova-Sprinks & Sylvie Tack,

3.5.2 Workshop 2 Ethical and legal perspectives for the new European Health Data Space: Collegium Iuridicum II, room 1.3

Joaquín Cayon-de las Cuevas & Tomislav Sokol & Markus Frischhut & André den Exter,

3.5.3 Workshop 3 The Principles and Guidelines on Human Rights and Public Health Emergencies: implementing human rights in a shifting global health landscape: Collegium Iuridicum II, room 1.4

Gabriel Armas-Cardona & Luciano Bottini Filho & Lisa Forman & Benjamin Mason Meier,

3.5.4 Workshop 4 Autonomy and decision-making: Collegium Iuridicum II, room 2.3

Michael Ganner & Simon Laimer & Thomas Pixner & Maria-Kristina Steiner & Caroline Voithofer
& Liv Vickery & Matteo Ciampa,

3.5.5 Workshop 5 Controversial health issues in the European Court of Human Rights: recent developments: Collegium Iuridicum II, room 2.8

Hannah van Kolschooten & Merel Spaander & Kristof Van Assche & Kaat van Delm & Hannah van Kolschooten & Rogier Simons & Noa Vreven & Fien De Meyer,

3.5.6 Workshop 6 Legal and ethical issues of using digital health and biomedical innovations: Broadening perspectives and mapping the borders: Collegium Iuridicum II, room 3.2

Andre Pereira & Radmyla Hrevtsova & Vasyl Kostytsky & Rui Cascão & Jerzy Bednarsky & Natalia Lojko & Natalia Lisnevskaja & Eduardo Dantas,

3.6 **14:00 AWARDS AND CLOSING CEREMONY**

Collegium Iuridicum II, Aula 2

Professor Steven Lierman & Professor Leszek Bosek

4 Young Scholars Workshop

9:00-9:15 Welcome (plenary session): Prof. Steven Lierman (chair EAHL) and Dr. Mirko Dukovic

9:15-11:30 Panels (breakout sessions): the recommended duration of the presentations is 15'

11:30-12:00 Wrapping up (plenary session)

4.1 PANEL 1

Human Rights Approaches to Health

Chair: Prof. Tamara Hervey

- Fundamental rights as a method of inquiry: How did courts help shape the European Health Law?, Dr Mirko Đuković, Post-doctoral Research Fellow, European University Institute, Italy;
- The European healthcare system standard: legal framework, Zuzanna Zapotoczna, PhD Candidate, Jagiellonian University, Poland;
- Anonymous gamete donation as a human rights conflict, Jakub Valc, PhD Student, Masaryk University, Czech Republic;
- Improving medical decision-making within a super-diverse society in light of the right to culturally appropriate healthcare, Marta Łotoczuk, PhD Researcher, University of Antwerp, Belgium;
- How to forge the right to long-term care for the dependent elders? A critique of the European Care Strategy, Teresa Adreani, Sant'Anna School of Advanced Studies, Italy.

4.2 PANEL 2 Data rights and healthcare

Chair: Prof. Santa Slokenberga

- Data for Discounts: Navigating Privacy Rights and Solidarity in Switzerland's Health Insurance Incentives, Dylan Hofmann, PhD student at the University of Neuchatel, Switzerland;
- Real World Data in the medicinal product lifecycle: in search of a balance between the right to safety and the right to innovation, Kaat Van Delm, PhD Researcher, Leuven Centre for Public Law, Belgium
- Fair enough? Exploring the role of fairness in secondary uses of health data in the European Health Data Space, Patricia Cervera de la Cruz (PhD Researcher) and Dr Mahsa Shabani (Associate Professor in Health Privacy Law), Ghent University, Belgium
- Health data sharing for research and innovation in Europe and France: legal issues for governing secondary use, Lisa Feriol, PhD student, University of Toulouse, France;

- Digital technology in developing human medicines: legal and ethical implications, Noémie Dubruel, PhD student, Institut Maurice Hauriou, Université de Toulouse II, Capitole & UMR 1295 CERPOP Inserm équipe BIOETHICS, Université de Toulouse III and Paul Sabatier, Toulouse, France.

4.3 PANEL 3 Medical practice and healthcare

Chair: Prof. Steven Lierman

- Self-determination and Accountability in Italy: balancing Informed Consent in Medical Treatment and Liability, Dr Stefania Pia Perrino, Postdoctoral Fellow, Università degli Studi di Milano – Bicocca, Italy;
- Should age determine the possibility of becoming a parent?, Marta Puścion, PhD student, University of Warsaw, Poland.
- Who decides your access to medical care? Prioritization of medical procedures – legal basis and the real-life, Jaana Kovalainen, Katariina Kilpivaara, PhD students, University of Lapland, and Oulu University Hospital, University of Oulu, Finland;
- Responsibility as a legal tool in the fight against non-communicable diseases, Félix Delerm, PhD candidate, University of Neuchatel, Switzerland;
- In search of a solid legal framework for qualitative healthcare services in hospitals, Cato Deprez, PhD researcher, KU Leuven, Belgium

4.4 PANEL 4 Regulating medical products

Chair: Prof. Annagrazia Altavilla

- Surveillance of software as medical devices, Astrid Pilottin, PhD student, University of Neuchâtel, Switzerland;
- Automated decision-making systems in precision medicine, Sarah de Heer, PhD student, Lund University, Sweden;
- EU Medical Device Regulation – the level of convergence and impact on regulatory complexity, Nika Gavrilović Janković, PhD student, University of Ljubljana, Slovenija;
- Legal Innovations and the Future of Drug Repurposing in the European Union, Joanna Belowska, Independent Researcher, Institute of Law Studies of the Polish Academy of Sciences, Poland;
- Regulations on the use of medicines outside Marketing Authorization in the European Union, and how they can help access novel treatments to patients in need, Miguel Díaz Hernández, Doctoral Researcher, University of Helsinki, Finland;

4.5 PANEL 5 Emerging technologies regulation and healthcare

Chair: Prof. Magdalena Flatscher-Thöni

- Legal governance of emerging health technologies from a human rights perspective, Renee Dekker, PhD student, University of Twente, the Netherlands;
- A prospective legal framework for brain organoids, embryoids and chimeras, Adrien Bottacci, Phd Student, Aix-Marseille Université, France;
- In search of legally binding standards in EU evidence-based policy-making – reestablishing free movement after lockdowns in the EU Digital Covid Certificates regulations, Danaja Fabčič Povše, Belgium;
- Green hospitals in Poland as an example of sustainable healthcare, Karolina Wierzbicka, University of Lodz, Poland.

4.6 PANEL 6 Challenges in Artificial Intelligence Regulation and Healthcare

Chair: Prof. Joaquin Cayon De Las Cuevas

- Addressing algorithmic discrimination in healthcare through an intersectional lens – the EU perspective, M.A. Wojcik-Suffia, PhD Candidate, University of Bologna, Italy;
- Protection of fundamental rights and Artificial Intelligence in health: a comparative analysis of the impact assessment as a legal tool, Sara Ruiz-González, Legal Adviser at the Ministry of Health of Cantabria and Predoctoral researcher at IDIVAL-University of Cantabria, Spain;
- Regulating AI Transparency in Healthcare, Marie Kohoutova, PhD Candidate, Charles University, Czech Republic;
- Protecting patient integrity: challenges and benefits with informed consent in AI-assisted diagnoses, Marika Mäkinen, PhD Student, Lund University, Sweden;
- Informed consent and the utilization of artificial intelligence in the delivery of healthcare, Monika Kupis, PhD Candidate, Jagiellonian University, Poland.
